Your Invited

It is with distinct pleasure that we invite your organization to be a part of our Health and Recreation Fair to be held on Sunday, March 20th 2011 from 1pm to 4pm at the Deer Hill School, 208 Sohier Street, Cohasset, MA.

This year we are pleased to announce the joining of the Board of Health's Annual Health Fair with over 20 years of experience with the Recreation Department's Recreation Fair * celebrating its third year.

Organizations who participated last year included various Cohasset sports leagues, health food and nutrition stores, fitness centers, yoga studios, the Rotary Club of Cohasset, the Cohasset Maritime Institute, and Relay For Life just to name a few. Sixty organizations were in attendance last year- we expect that number to reach 80-100 this year. As part of the Health Departments Fair, various new organizations will be present to do much needed health screenings.

Large crowds will be drawn to the event to take part in the opening day of registration for Cohasset Recreation Department's spring and summer programs, however the essential purpose remains our ability to provide local residents an opportunity to discover, all under one roof, the wide variety of local services available to them in the fields of health, fitness, sports, nutrition and recreation for both adults and children. This is an opportunity for you, the provider, to meet directly with potential clients and showcase what makes you so unique.

To Reserve a Table: Please forward your 2011 registration form, with a non-refundable check payable to "Cohasset Recreation Department". Non-profit groups are \$40; For-profits are \$100. The fee helps defray the costs associated with conducting the Recreation Fair and includes table space and chairs for your organization.

Live Demonstrations: We are scheduling live demonstrations in addition to table reservations. If your organization would like to book a block of time to be the center of attention please contact us with your request or for more information. There is no additional fee for this service.

Raffle: Families will be able to purchase raffle tickets for donated items such as gift certificates, memberships, sporting goods, services, etc. All proceeds will go toward supporting the Cohasset Health and Recreation Fair. Your donation is tax deductible. Should you be interested in donating services or goods for the raffle, please list your donation on the application.

Please keep in mind that vendor spaces are likely to sell out, so early registration is advised. Hoping you will take advantage of this unique opportunity.

Yours truly,

Ted Carroll, Recreation Director

Mary Goodwin, Health Nurse

* Winner of the Massachusetts Recreation and Parks Association 2009 Community Outreach Award "program over and above regular programming that demonstrates a benefit to the community".
